We will accept order forms in three ways: by mail, by email, and hand delivered to the Potomac office location. We will not accept phone, text or fax orders.

To ensure all orders are received on a fair “first come, first served” basis we will add two “mailing days” to the date of receipt for emailed and hand delivered order forms. We add these mailing days in fairness to customers who live too far away to hand deliver or who prefer not to include their credit card deposit information in an email.

Please hand deliver forms to the labeled box on the front porch—do not leave in the street mailbox because the mailman has taken them to the post office for a postage due notice.

You should receive a confirmation by email within two weeks. If you do not receive a confirmation, *please* contact us—your order may have been delayed or missed.
